

# Citroën Care for Car and Driver

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Elect 3 Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products, using only genuine Citroën parts.

For added Peace of Mind both Business and Retail customers can purchase a Citroën Ensure Maintenance Contract, which covers routine Service and Parts cost, and which can be enhanced to include items such as tyres and extended replacement vehicle cover.

## Citroën Elect 3

With the Elect 3 Personal Contract Purchase Scheme, you decide on the model which best suits your motoring needs, then set your preferred contract period of 24 or

36 months and anticipated annual mileage. At the end of the contract period you have the added flexibility of part exchanging the car for another new Citroën, purchasing it or simply returning it to the Dealer. By choosing Elect 3 you can drive a new Citroën every two or three years.

## Citroën Fleet and Business Sales

All Citroën Dealers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aims to provide a 'total transport solution' for all your fleet or business vehicle needs. If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 08457 940 940. Or look us up at: <http://www.citroen.co.uk/fleet>

## Citroën Assist

Whilst Citroën cars are engineered for maximum reliability, you might become stranded through circumstances outside your control. In response to a free telephone call, Citroën Assist brings rapid

expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Alongside UK cover, Citroën Assist also offers a comprehensive European service.

## Comprehensive Warranty

Every new Citroën car offers the benefit of a 3 year\* warranty package, plus a 12 year anti-corrosion\*\* warranty and a 3 year paint warranty.

\*2 years' manufacturer's warranty. No-fee customer option of 1 year's Dealer provided extended warranty, only on cars sourced from Citroën UK Limited. \*\*Against all internal to external perforation to bodywork or underbody on condition the car undergoes an inspection by a Citroën franchised Dealer every two years from its fourth anniversary. Full details available on request. Credit subject to status and to over 18's only. A guarantee may be required. Written quotations available on request from Citroën Financial Services, Quadrant House, Princess Way, Redhill, Surrey RH1 1QA. Citroën Financial Services is a trading name of Banque PSA Finance.

## THE NEW CITROËN C8

## PRODUCT & TECHNICAL INFORMATION

SEPTEMBER 2003

## Citroën Insurance

Citroën Insurance is as thoughtfully designed as your car and provides real value for money exclusively to Citroën owners. Instant cover is available over the telephone, with convenient instalment options (subject to status). Policies provide 24 hour accident recovery, with all repairs carried out by a Citroën Authorised Repairer, guaranteed for a full three years. For an immediate quote, call 0870 024 2725.

## Internet

The Citroën website contains full information on all Citroën products and offers available in the UK. The site address is: <http://www.citroen.co.uk>  
You can contact Citroën directly via [customer-services@citroen.com](mailto:customer-services@citroen.com)

NOTE: Every endeavour has been made to ensure that the information and details contained in this specification leaflet were accurate at the time of going to press September 2003. However the company reserves the right, whilst preserving the essential characteristics of the models described, to introduce at any time modifications, changes of details, equipment or accessories. Every effort will be made to bring this leaflet up to date, but in order to avoid any misunderstandings please consult your Dealer. Specifications of all models refer to cars produced from 1st September 2003.

## The Citroën C8

Take your first long look at the New C8 and the unique blend of personality and distinctive design is evident. A vast 2 square metre panoramic windscreen – one of the largest fitted on any mainstream passenger vehicle – offers unrivalled visibility. It combines with the plunging bonnet to convey a stylish fluidity of line and form that you just won't find amongst the rest. And the exterior design features are, without question, of the highest standard too.

Take a careful look at the generous teardrop headlamps, the 'flag-type' door mirrors, the 'aluminium' effect elongated door handles, and the slim line vertical rear light cluster. This sense of distinctive styling is conveyed throughout the cabin too. With an

innovative and stylish arch-shape, the dashboard houses a 3-in-1 glass sphere instrumentation cluster that displays all the key driver information using ground-breaking dial technology.

And, accentuating the sense of space, a bright fascia band flows across the width of the control console.

Good-looking? Yes, no question. But rest assured that the New C8 also brings innovation in terms of driving experience, life on-board and safety standards.

The C8's external good looks are well-matched by the interior style and the carefully chosen colour trim and upholstery options. The interior design schemes comprise seat upholstery, trims and aluminium-look dashboard and door panel inserts. The immediate impression of luxurious chic is further enhanced by the co-ordinating aluminium-look surrounds to various dashboard and central console functions.

There are three different design schemes:

• **Calm** has a contemporary, bright and mood-enhancing look. The scheme uses a stylish blue meshed cloth and is standard on LX models.

• **Cocoon** radiates a classical and relaxed feel. Rich velour is featured and the scheme is standard for SX levels.

• **VIP** is as luxurious, airy and opulent as you'd expect from the top-of-the-range scheme. The Exclusive model offers the sophisticated Alcantara® 'suede-feel' upholstery as standard whilst the luxury of leather is standard on the Exclusive Captain Chair. Aluminium-look head restraint bars together with a leather steering wheel and gear lever also play a part in making you feel you are receiving the VIP treatment.

### LX key equipment

- Body colour painted bumper skirts and door mirrors
- Blackout tailgate windows
- Driver's, passenger's, front lateral and side window airbags
- ABS with EBD and Emergency Braking Assistance (EBA)
- High-frequency remote control central locking with deadlocks and dashboard mounted controls
- Twin rear sliding side doors
- Automatic digital dual-zone air conditioning
- 2 square metre windscreen
- Electric front windows with one-touch operation
- Five full size individual, sliding, foldable and removable rear seats
- Quickfix® instant anchorage system

### SX key equipment (over LX)

- Body colour painted bumpers and side rubbing strips
- Electric twin rear sliding side doors with anti-pinch function
- Automatic digital tri-zone air conditioning
- Anti-theft alarm
- 2 square metre heat-reflecting windscreen
- Electric middle windows with one-touch operation
- Retractable middle window and quarter light sunblinds
- Additional folding rear view mirror for child surveillance
- Adjustable and folding front seat armrests
- Aircraft style tables on back of front seats
- Automatic retractable door mirrors
- Electrochrome rear view mirror

### Exclusive key equipment (over SX)

- 'Aluminium' effect rear spoiler with integrated roof bars
- Alloy wheels
- Leather steering wheel and gear lever knob
- Beige full Alcantara® upholstery
- Electric front seats with programmable driver's seat memory setting
- Heated front seats
- Cruise control
- Door mirrors' position memory
- Rear parking sensors
- Bi-Xenon headlamps with washer jets
- Tyre pressure warning

### Exclusive Captain Chair key equipment (over Exclusive)

- Blackout side windows (row 2 & 3)
- Three electric slide/tilt sunroofs with sunblinds\*
- Four full size individual, sliding, foldable and removable rear 'Captain Chair' seats with adjustable and folding armrests
- Beige full leather upholstery

## Comfort and flexibility

The New Citroën C8 can adapt with ease to cater for the changing demands of your lifestyle. The three rows of seating can accommodate up to eight people. Most models feature seven individual full-size seats, with top of the range models offering six leather Captain's Chairs incorporating adjustable armrests. A third-row three-seat passenger bench can also be specified at no cost (LX and SX only). All individual rear seats are rake and reach adjustable and, thanks to a broad high backrest that is slightly curved at the base, they also provide excellent lumbar support.

Flexibility is further assured with the use of the patented Quickfix® instant anchoring system. All the rear seats can slide a distance of 15 cm by means of rails and be easily folded, installed or removed completely in a matter of seconds. Invaluable when you need that extra storage space for a bulky item or perhaps to provide easier access to the third row of seats.

## Comfort in all its forms

The trouble is, some may want to heat it up and others to cool it down. Either way, the New C8 has it covered. As you would expect, all models feature automatic digital air conditioning. But our advanced system has been designed to give each occupant control over their own zone's climate. Seven front air vents facilitate independent temperature control for the driver and front passenger.

The second and third rows of seats (from SX models) are each serviced by four air vents, to ensure air-flow throughout the rest of the cabin. Also included as part of the air conditioning system is a clever sensor that automatically adjusts the air temperature according to the intensity of direct sunlight.

Check it out. The New Citroën C8 provides a host of storage compartments. Your only problem may be remembering where you put what!

## Options you won't want to be without

Whether you wish to enhance the vehicle's appearance, add to its convenience, storage or safety features, or partake of high-quality in-car entertainment including the 5 CD autochanger and satellite navigation systems, we have the accessory solution for you. For information on the full range of accessories available, contact your local Citroën dealer or visit [www.accessories.citroen.co.uk](http://www.accessories.citroen.co.uk).

Below is a selection of C8 Accessories

### 1 Roof mounted rear video screen

Available as an accessory for the rear passengers, a large multi-media video screen, featuring two sets of infrared headphones and a remote control, can be connected to whichever player you like (VCR, DVD, video games...). Available on SX and Exclusive models only.

### 2 RT3 GPS colour plus satellite navigation system

The navigation computer receives signals from the GPS (Global Positioning System) Satellite orbiting the Earth. It will guide you graphically and/or audibly, after identifying your starting point, to your destination.

### 3 Parcel Shelf

The generous boot features a parcel shelf that also acts to shield your luggage from view.
