

Citroën Care for Car and Driver

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Elect 3 Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products, using only genuine Citroën parts.

For added Peace of Mind both Business and Retail customers can purchase a Citroën Ensure Maintenance Contract, which covers routine Service and Parts cost, and which can be enhanced to include items such as tyres and extended replacement vehicle cover.

Citroën Elect 3

With the Elect 3 Personal Contract Purchase Scheme, you decide on the model which best suits your motoring needs, then set your preferred contract period of 24 or

36 months and anticipated annual mileage. At the end of the contract period you have the added flexibility of part exchanging the car for another new Citroën, purchasing it or simply returning it to the Dealer. By choosing Elect 3 you can drive a new Citroën every two or three years.

Citroën Fleet and Business Sales

All Citroën Dealers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aims to provide a 'total transport solution' for all your fleet or business vehicle needs. If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 08457 940 940. Or look us up at: <http://www.citroen.co.uk/fleet>

Citroën Assist

Whilst Citroën cars are engineered for maximum reliability, you might become stranded through circumstances outside your control. In response to a free telephone call, Citroën Assist brings rapid

expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Alongside UK cover, Citroën Assist also offers a comprehensive European service.

Comprehensive Warranty

Every new Citroën car offers the benefit of a 3 year* warranty package, plus a 12 year anti-corrosion** warranty and a 3 year paint warranty.

*2 years' manufacturer's warranty. No-fee customer option of 1 year's Dealer provided extended warranty, only on cars sourced from Citroën UK Limited. **Against all internal to external perforation to bodywork or underbody on condition the car undergoes an inspection by a Citroën franchised Dealer every two years from its fourth anniversary. Full details available on request. Credit subject to status and to over 18's only. A guarantee may be required. Written quotations available on request from Citroën Financial Services, Quadrant House, Princess Way, Redhill, Surrey RH1 1QA. Citroën Financial Services is a trading name of Banque PSA Finance.

The Citroën Xsara Picasso

Citroën have always seen things from the driver's point of view. Which is why so much attention, and considerable investment, have been lavished on the cockpit of the Xsara Picasso. This is where you feel in control. At your fingertips are a range of advanced functions that adapt instantly to your needs. They are all designed to help make driving safer and more enjoyable, and come as standard, not only on the top-of-the-range Exclusive models, but across the entire range.

As you sit behind the wheel, you sense a strong intelligence at work. For example, the stereo system varies the sound volume according to the speed at which you are travelling, and can continue playing for 30 minutes after you've switched off the engine. And, comfortingly, the headlamps can stay on for one minute to see you safely out of a dark car park or garage. Then there are the clever front and rear wipers: switch them to intermittent and they will vary in speed according to the speed of the vehicle.

These, and a whole host of other clever features, are controlled by an advanced electrical system, which uses Multiplex technology to minimise the electrical wiring required. Just one of the many ways in which Citroën are applying fresh thinking and new technology to make Xsara Picasso a vehicle you can rely on.
