

# Citroën Care for Car and Driver

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Elect 3 Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products, using only genuine Citroën parts.

For added Peace of Mind both Business and Retail customers can purchase a Citroën Ensure Maintenance Contract, which covers routine Service and Parts cost, and which can be enhanced to include items such as tyres and extended replacement vehicle cover.

## Citroën Elect 3

With the Elect 3 Personal Contract Purchase Scheme, you decide on the model which best suits your motoring needs, then set your preferred contract period of 24 or 36 months and anticipated annual mileage. At the end of the contract period you have

the added flexibility of part exchanging the car for another new Citroën, purchasing it or simply returning it to the Dealer. By choosing Elect 3 you can drive a new Citroën every two or three years.

## Citroën Fleet and Business Sales

All Citroën Dealers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aims to provide a 'total transport solution' for all your fleet or business vehicle needs. If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 08457 940 940. Or look us up at: <http://www.citroen.co.uk/fleet>
